

CERTIFICATE OF RECOGNITION

OF

**Directorate of Technical Airworthiness and
Engineering Support**

(Canada)

IN THE FIELD OF

Continuing Airworthiness Assurance

BY

**Direction de la Sécurité Aéronautique d'État
(France)**

Date : 12.07.2021

Signature :

Name : **Général Pierre REUTTER**
Director, DSAÉ

1. Recognition, in this case, is of an Authority by another Authority. To achieve the goal of regulating once and using the outcome many times, the recognition process guidelines detailed in EMAD R have been followed and confidence has been gained that **DTAES'** airworthiness assurance and regulatory approach is acceptable to **DSAE**.
2. **DTAES'** conduct of regulatory assurance is assessed as being at a standard by which the continuing airworthiness artefacts can be accepted by **DSAE** as described in The table here below.

Artefacts	Remarks
Approvals of maintenance organisations delivered by DTAES can be accepted by DSAE .	Technical airworthiness accreditation granted by the Technical Airworthiness Authority (TAA) and based on the Technical Airworthiness Manual only.
Audits and surveillance for the approvals of maintenance organisations may be conducted jointly.	In each case an agreement and process on the conduct of a joint audit or surveillance would need to be developed.

3. This Recognition Certificate is valid until the **31st of May 2025**.
4. This Recognition Certificate will be reviewed for the first time at least 6 months before the end date of its validity unless any significant changes (Step 17 of EMAD R refers) to the Authorities occurs before that date.
5. **DTAES** undertakes to inform **DSAE** immediately of any significant changes to its organisation or regulation (Step 18 of EMAD R refers).
6. With the consent of the affected organization, **DTAES** undertakes to supply accreditations, audit reports, supporting documents, findings and subsequent closure action to **DSAE** in French or in English for all initial approvals and on-going surveillance activity for approvals, accepted/to be accepted by **DSAE**.
7. **DTAES** undertakes to inform **DSAE** in a timely manner of the suspension, withdrawal or substantive change in scope of any maintenance organization approval [accreditation] which has been adopted by **DSAE**.
8. The essential principle that recognition is a national responsibility is maintained, hence sovereign regulatory responsibility is not abdicated by issuance of this certificate.
9. The Recognition Partners' signatories below are duly authorised to make the agreements given above.
